With the new specialty DF ROM Pin (Anodized Yellow), Destron Fearing tag customers can utilize the Allflex™ Retract-O-Matic™ for applying both Destron Visual and Electronic (EID) tags. The Allflex ROM's will ship with the standard Allflex Red Pin. The Destron ROM Pin is an accessory item that should be ordered separately to replace the Red Pin.

The Retract-O-Matic™ series applicator features contoured pistol-grip handles. It is designed to retract the applicator pin out of the animals ear, before they can react. The anvil can be positioned at any angle on the applicator for left or right application variables.

Specialty Destron ROM Pin
